Mission Statement:

Ours is a Presentation Secondary School, inspired by the vision of Nano Nagle, and in response to her we welcome and cherish girls irrespective of ability or background.

We aim to develop a vibrant community of Pupils, Staff, Parents, and Management, based on Gospel values such as justice, truth and honesty, in accordance with the ethos of the school and our agreed Code of Discipline and conduct.

We aim to assist in the development of the full potential of each girl in a pleasant and safe environment, where the dignity of each member of the School community is recognised, affirmed and valued.

We aim to awaken our girls to their true dignity and role as women in present day society. Inspired by these values we dedicate ourselves to the continual development of our Presentation School.

Important Note: It should be noted that risk in the context of this risk assessment is the risk o "harm" as defined in the Children First Act 2015 and not general health and safety risk. The definition of harm is set out in Chapter 4 of the *Child Protection Procedures for Primary and Post*

Primary Schools 2017

In undertaking this risk assessment, the board of management has endeavoured to identify as far as possible the risks of harm that are relevant to this school and to ensure that adequate procedures are in place to manage all risks identified. While it is not possible to foresee and remove all risk of harm, the school has in place the procedures listed in this risk assessment to manage and reduce risk to the greatest possible extent.

This risk assessment has been completed by the Board of Management on **21st August 2018** It shall be reviewed as part of the school's annual review of its Child Safeguarding Statement.
