Catholic education is therefore a lifelong process of human growth and development which has been at the heart of the Church's mission since Jesus Christ urged his disciples to 'go teach all nations'. The person of Christ is the core of Catholic education.

Presentation Secondary School Listowel draws on the richness of the religious and cultural heritage of the past, interpreted and lived out for students living in today's world. The charism of founder Nano Nagle of The Presentation Sisters who began this school is of very significant importance in the life of the school.

As a CEIST school, Presentation Secondary School Listowel values teaching as one of the most important of all human activities. Our school seeks to build a quality learning community that welcomes, and bears witness to the Gospel values of Jesus Christ, expressed through the lens of the CEIST Charter. -
- *Achieving Quality in Teaching and Learning*
 - *Showing Respect for Every Person*
 - *Creating Community*
 - *Being Just and Responsible*

Presentation Secondary School Listowel is inspired by the words of Jesus Christ to his disciples, “I have come that they may have life and have it to the full” (Jn 10:10). Because of this, Presentation Secondary School Listowel provides a rich, holistic education in the Catholic tradition where engagement with and development of the whole person; the intellectual, moral, religious, physical, spiritual and psychological are at the core of our practice.

Education has as its goal the formation of a human person who is free, rational and mature in relationships. Presentation Secondary School Listowel offers educational opportunities which promote excellence so that students can respond responsibly and creatively to their own lives, the lives of others and to the earth, which is our common home.

In Presentation Secondary School Listowel the dignity and uniqueness of every human being as a child of God is acknowledged and affirmed. The Catholic school is an inclusive community, ideally built on love and formed by the interaction and collaboration of its various components: students, parents, teachers, non-teaching staff and members of the Board of Management. Catholic schools are also outward looking. They are connected to their local parish and Diocese and other local organisations which enrich the life of the school. Our school draws on the rich resources of the local community and, in turn, contributes to the life of the local community.

As a Catholic school, Religious Education is central to our curriculum. Alongside Religious Education, the school supports the formation in faith of our students through many school-based experiences of prayer and ritual. All students’ spiritual growth is further enhanced through such areas as sport, language, nature, art, poetry and music.

Mission Statement

Ours is a Presentation Secondary School, inspired by the vision of Nano Nagle, and in response to her we welcome and cherish girls irrespective of ability or background.

We aim to develop a vibrant community of Pupils, Staff, Parents/Guardians, Management, based on Gospel values such as justice, truth and honesty, in accordance with the ethos of the school and our agreed Code of Discipline and conduct.

We aim to assist in the development of the full potential of each girl in a pleasant and safe environment, where the dignity of each member of the School community is recognised, affirmed and valued.
