**Mock Exams 2021**

Dear parents/guardians and students,

I hope that you are safe and well at this very difficult time.

We have been communicating with you regarding the Mock Exams 2021 in recent weeks. There were two companies involved in the provision of papers, Dublin Examining Board and Examcraft.

Earlier last week DEB announced the closure of their operation for this year. We were then liaising with Examcraft.

**It now appears that the Examcraft are unsure of how they are going to manage the Mock Exam process for 2021. This is leading to huge uncertainty.**

**In an effort to provide certainty to our 3<sup>rd</sup> and 6<sup>th</sup> Year students at this time, we have decided not to go ahead with the Mock Exams this year at all.**

We have in our possession at present Mock Exam papers from Examcraft. The papers arrived last week.

Leaving Cert

Chemistry

LCA Gaeilge

The above Mock Exam papers that we have received already will be purchased by students and used in class with teachers as a teaching and learning aid.

I look forward to speaking to you at the year group assemblies on Monday next.

Kind wishes

*Eileen Kennelly*
